GENERAL EDUCATION (F) DEPARTMENT

Read :—(1) Notification NS (1) 30170/82 dated 27-1-1983.

(2) Resolution passed at the meeting of the N. S. S. Director Board on 12-2-1983 forwarded by the General Secretary, N. S. S. Perunnai, Changanacherry.

(3) Review petition dated 15-2-1983 from the General Manager & Inspector, N. S. S. Schools, Changanacherry.

(4) Lr. No. NS (1) 62801/83 dated 13-6-1983 from the Director of Public Instruction.

(5) Review petition dated 20-6-1983 from the Corporate Manager of Schools, Arch Diocese of Changanacherry.

ORDER

The place "Kunnumma East" has been included both in Preliminary and Final lists of areas where new High Schools are to be opened or existing U. P. Schools are to be upgraded. The General Manager and Inspector of N. S. S. Schools filed a review petition read as 3rd paper above for deletion of "Kunnumma East" from the final list.

The review petition was heard by Minister (Edn.) on 20-6-1983. The following persons were present:—

1. Shri P. N. Parameswaran Nair,
   General Manager & Inspector of N.S. S. Schools,
   Changanacherry.

2. Shri P. S. Raman Pillai,
   Advocate for N. S. S. Management.

3. Shri N. C. Thomas,
   Advocate for Corporate Manager of Schools,
   Changanacherry.

4. Shri Antony Joseph,
   (appeared for Arch Diocese of Changanacherry
   Corporate Manager)

Shri P. S. Raman Pillai, Advocate, who appeared on behalf of the N. S. S. Management, and Shri P. N. Parameswaran Nair, General Manager and Inspector of N. S. S. Schools argued that "Kunnumma East" is one of the eight wards of Kavalam Panchayat where there is already one High School managed by N. S. S. They added that the A. J. John Memorial High School in the neighbouring Neelamperur Panchayat is situated about one Kilometre away from the N. S. S. High School, Kavalam. There is another High School in the Veliyanad Panchayat which is also very near to the N. S. S. High School, Kavalam. According to them there is no educational need to establish one more high school in the locality especially since the distance between N. S. S. High School Kavalam and the preposed site for the new High School is only one furlong. They also stated that the fact that Kunnumma East is separated from Kavalam by river Pamba, is not a serious problem as far as communication facilities are concerned. The advocate for the N. S. S. Management pointed out that the L.F.U.P. School, which is proposed to be upgraded, is the main feeder school of N. S. S. High School, Kavalam. According to him forty pupils from L.F.U.P. School are admitted annually in the N.S. S. H. S., Kavalam and hence there will be considerable reduction in the strength of students, resulting surplus staff, if the L.F.U.P. School is upgraded. In view of the above reasons the review petitioner pleaded strongly against the proposal to establish a High School at Kunnumma East and requested to delete the place Kunnumma East from the final list.

Shri N. C. Thomas, Advocate who appeared for the Corporate Manager of Schools, Changanacherry, argued in favour of having a High School at Kunnumma East, by upgrading the Little Flower U. P. School, Kunnumma East. He raised the following points to substantiate his argument:—

The N. S. S. High School, Kavalam is quite insufficient to meet the increased educational needs of the locality. According to him within a radius of 20 sq. kms. of Kavalam Panchayat, there are about 40,000 people and to meet their educational need there is at present only one High School, ie., the N. S. S. High School, Kavalam. Considering the increased educational needs of the locality, some three years ago there was a proposal to upgrade the Government U. P. S. in the locality, but it could not be implemented so far. Eventhough the distance between Kunnumma East, the proposed site and the N. S. S. High School, Kavalam is short, the river Pamba separates Kunnumma East from Kavalam. Communication facilities are very poor in the area. In the absence of a bridge pupils from Kunnumma East find it very difficult to reach the N.S.S. High School on the other side of the river. Taking into account the educational needs of the locality, the Kavalam Panchayat had passed a resolution requesting the Government to sanction a High School at Kunnumma East. The N.S.S. High School, Kavalam has got five feeder schools from which an average of more than 500 pupils will seek admission in the N. S. S. High School. At the same time, 396 students will be sufficient to maintain the existing 9 divisions of VIII standard in the N. S. S. High School. Eventhough about 30 students from Little Flower U. P. S. Kunnumma East do seek admission annually in the N. S. S. High School Kavalam, about 400 students including nearly 240 students from the other feeder schools in Kunnumma East region who are rejected admission by N, S. S. High School, Kavalam seek admission every year in the High Schools at Changanacherry, Kainakari, Pulimkunnu etc. In the above circumstances, he argued that, it is very essential to establish a new High School at Kunnumma East, by upgrading the Little Flower U. P. S.

The District Educational Officer in his report stated that there was no division fall in the N. S. S. High School, Kavalam for the last two years and that there will not be any division fall, even if the U. P. School at Kunnumma East is upgraded. He has also reported that only 30 pupils from Kunnumma area joined the N. S. S. High School Kavalam, during the year 1982-83, while a good number of pupils in the area sought admission in the High Schools at Pulinkunnu and Kainady, which had not raised any objection to the inclusion of Kunnumma East in the final list. Moreover, Kunnumma East is separated from the place where N. S. S. High School Kavalam is situated, by river Pumba, and there is no bridge in that area, to cross the river within a radius of 10 kms. He also pointed out that there is no regular boat service or ferry service between Kunnumma East and Kavalam. So, eventhough the distance between Kunnumma East and Kavalam is very short, N. S. S. High School, Kavalam may not be easily accessible to the pupils of Kunnumma East, especially during rainy seasons which is a relevant point to be considered. Considering the peculiar nature of the area, the Director of Public Instruction also felt that the case deserves favourable consideration,

The President of Kavalam Panchayat also strongly recommended and stressed the necessity of establishing a High School at Kunnumma East, which is a highly backward rural area.

In view of the above, it is felt that the educational needs of the pupils in Kunnumma East area, warrant a High School at Kunnumma East. The review petition filed by the General Manager and Inspector of N. S. S. Schools, is, therefore, rejected, and sanction is accorded to the Corporate Manager, Corporate Management of Schools, Arch Diocese of Changanacherry, for the upgradation of Little Flower U.P.S. Kunnumma East into a High School subject to the condition stipulated in G.O. (MS) 67/83/G. Edn. dated 30-4-1983.

V. NARAYANAN ACHARI,
Deputy Secretary.

General Education (F) Department

G. O. (MS) No. 132/83/G.Edn. *Dated, Trivandrum, 30th July* 1983.

Read: —(1) Notification NS (1) 30170/82 dated 27-1-1983.
(2) Review petition dated 21-2-1983 from the General Manager and Inspector, N.S.S. Schools, Perunnai P.O., Changanacherry.
(3) Review petition dated nil from Sri Thomas Thomas Oothuparackal and others.
(4) Certificate dated 18-6-1983 from the Executive Officer, Karukachal Panchayat.

ORDER

The review petition filed by the General Manager and Inspector of N.S.S. Schools read as 2nd paper above is to reconsider the final list and delete the place Champakkara from it. However, the review petitioner did not turn up for hearing fixed for 17th June, 1983, inspite of notice.

The following interested parties were heard on 17th June, 1983:—

1. Rev. Fr. Jacob Kayyalakam,
   Vicar, St. Joseph's Church, Champakkara.
2. Shri V. J. Mathew, Valiyamattathil.
3. Shri Varkey Job, Plathannalil.
4. Shri Thomas Thomas, Oothupparackal.

2. The place "Champakkara" in the Kanjirappally Educational District has been included as Sl. No. 61 in the final list of areas requiring U.P. Schools published by the Director of Public Instruction as per Notification No. NS (1) 30170/82 dated 27-1-1983.

3. Rev. Fr. Jacob Kayyalakam and the others present, stressed the necessity to upgrade the St. Joseph's L.P. School, Champakkara into a U.P. School. The following points were raised by them to substantiate their arguement.

The St. Joseph's L. P. School, has been functioning since the last 80 years. There is no U.P. School, within the radius of about 4 kms of Champakkara. Much difficulty is experienced by the small children of the locality to reach the nearest U.P. School walking a distance of about 4 kms distance between the St. Joseph's L. P. School, Champakkara and the N.S.S. High School, Karukachal is 3.75 kms.

According to them, neither the N.S.S. High School, Karukachal nor the S.M. U.P. School, Champakkara will be adversely affected with the upgradation of the St. Joseph's L. P. School, Champakkara. They said that upgradation of St. Joseph's L. P. S., Champakkara, was an urgent necessity to meet the educational needs of the children of the locality.

A mass petition, signed by persons, stated to be the parents of School-going children of Champakkara area, demanding the upgradation of St. Jospeh's L. P. S. into an U. P. S. has been received by Government.

The certificate given by the Executive Officer, Karukachal Panchayat, read as 4th paper above shows that the distance from St. Joseph's L. P. School, Champakkara to N.S.S. High School, Karukachal, is 3.4 kms and that to S.M.U.P. School, Champakkara is 2.6 kms.

In the circumstances, the review petition is rejected. Sanction is accorded to the Corporate Management of Schools, Arch Diocese of Changanacherry to upgrade the St. Jospeh's L. P. School, Champakkara from 1983-84 subject to the terms and conditions specified in G. O. (MS) 67/83/G.Edn. dated 30-4-1983.
